

Distance Camp: Bright Ideas

July 13 - 17, 2020

Thursday

- 9:00am Welcome & Share
As kids arrive at the call, they can share the results of the slinky experiments and anything else they did that the day before.
- 9:10am Read Aloud - In the Garden with Doctor Carver
Learn about George Washington Carver and his gardening experiments to help low-income communities in Alabama (and other places.)
- 9:25am Medicinal Herb ID Game
The kids will learn the names and uses of different herbs that were commonly used as medicines in the past and today.
- 9:30am Plant Medicinal Herbs
Campers will use the Lavender plant kit to try growing a medicinal herb
Kit Supplies: Lavender grow kit
- 1:30pm Live Tour: Shapley Drisco House (1955)
Join Bekki for a live tour of a kitchen and living room interpreted to 1955. See how your grandparents may have lived when they were your age. Learn about technology and daily life as we play “guess the object” throughout the house!
