

## **Distance Camp: Daring Discoveries**

(formerly Inventions and Experiments)

### **Monday**

- 10:00am     Welcome and Introduction  
Counselors will introduce themselves and go over the outline of camp
- 10:10am     20th-Century Timeline  
Campers will put pictures of different inventions on a timeline.  
**Kit Supplies: Bag of invention pictures**
- 10:25am     Introduction to Alexander Graham Bell  
Through pictures and audio clips, the group will learn about one of the most famous inventors and his journey to becoming a naturalized American citizen.
- 10:35am     Immigration Amazing Race  
Campers will be split into groups. They will work as a team to engage in three challenges that will help them learn about different aspects of cultures around the world.
- 11:10am     Introduction to the Telephone & Experiments  
Through pictures and video, kids will learn a little bit about how telephones work. Then they will learn how to do an experiment that they can make and test on their own if desired.  
**Kit Supplies: Tin cans & string**
- 1:30pm     Meet Mabel Holt  
Go back in time to 1943 and discover what it was like to live during World War II. Come with some questions or just join us and listen as Mrs. Holt describes her life in Puddle Dock over 70 years ago.
