

## **Distance Camp: Daring Discoveries**

(formerly Inventions and Experiments)

### **Thursday**

- 10:00am     Welcome and Share  
As everyone arrives, they will share any experiments/projects that they did the night before.
- 10:10am     Introduction to Aviation  
Through pictures and first hand accounts, campers will learn about the history of early aviation.
- 10:20am     Create Your Own Airplane  
Campers will build their own propeller planes.  
**Kit Supplies: Propellor plane parts (VERY DELICATE!), tape & crayons**
- 10:50am     Introduction to World War II  
Using pictures and other media, campers will learn a brief history of World War II.
- 11:00am     Air Raid Simulation  
Campers will watch a simulation of an air raid drill using the air raid shelter at SBM to understand what it would have been like to experience one.
- 1:30pm     Live Tour: Shapley Drisco House (1955)  
Join Bekki for a live tour of a kitchen and living room interpreted to 1955. See how your grandparents may have lived when they were your age. Learn about technology and daily life as we play “guess the object” throughout the house!
