

Make Your Own House Banner

Materials:

Markers, crayons, paints (whatever you want to use)

Pencil

Paper

For the house presentations on Friday, create a banner, sign, or flag to represent your house. Keep in mind the discussions you have had this week with your house regarding who your founder is, what your magical object is, and what your mascot is. Also remember to include your house color. Be prepared to share your banner during your house meeting and/or the final house presentations. Get creative and show off your house pride!
