

What is Your House Mascot?

Each of the houses at SBM Wizard School have a mascot. The mascot is someone or something that is supposed to bring luck to your house or symbolizes something about your house.

Today during the Zoom call, you saw some choices of possible mascots for your house. Based on what you've learned about your house, what animal do you think should represent your house as its mascot? Be ready to vote for your favorite mascot tomorrow during your house meeting. If you want, draw a picture of the mascot using the materials in your kit or what you have at home.
