

# Who is Your Founder?

Just like Hogwarts, each of the houses at SBM Wizard School have founders as well. The difference is that you get to decide who it is!

Today during the Zoom call, you saw some choices of possible founders for your house. Based on what you've learned about your house, who do you think should be the founder of your house? Be ready to vote tomorrow during your house meeting. If you want, draw a picture of the founder you chose using the materials in your kit or what you have at home.
