

Distance Camp: Wizard School

Wednesday

- 9:00am Welcome and Share
Students can share their homework (if any) with the professors and house points will be awarded.
- 9:10am House Breakout Rooms
Each head of house will lead a discussion/vote on what will be the special object in the house. Then she will use slides and images to introduce kids to a few interesting things related to animals/would be mascots in the houses.

CLASSES (in breakout room)

- 9:30am Year 1: Potions with Professor Olsen
Kit Supplies: 6oz Mason Jar containing Coconut Oil and Rose Essential Oil (labeled Sugar Scrub), Bag of rose petals, Bag of sugar
- 1:30pm The History of Astronomy with Professor Gianforte
Join a real astronomy professor as he teaches the group about some history of astronomy through the contributions of someone important to the field. Bring lots of astronomy related questions!
