

# Distance Camp: Archaeology Adventure

## TUESDAY

### 10:00 **Welcome & Sharing**

The group will exchange morning greetings and get the chance to share any activities they did the night before.

### 10:10 **Where do we excavate?**

Campers will join SBM Archaeologist, Alix Martin, with an activity that simulates how archaeologists decide where to excavate.

### 10:40 **Stratigraphy Introduction**

Campers will be introduced to the concept of stratigraphy and how the ground is layered.

### 10:45 **Stratigraphy Pudding**

Campers will make a tasty treat while learning more about stratigraphy.

**Kit Materials: Clear plastic cup, plastic spoon, chocolate and vanilla oreos, a pudding cup, sprinkles and a large popsicle stick.**

### 11:05 **Archaeology Tool Kit**

Campers will learn about the tools that an archaeologist uses and explore the tools in their kit.

**Kit Materials: Trowel, scoop, notebook, pencil, brush, tape & glue**

### 1:30 **Live on Zoom: Archaeology Matching Game**

Test your knowledge of history and Strawberry Banke as you try to match a series of objects to the houses in which they belong.
