

# Distance Camp: Historical Boredom Busters

## Wednesday

- 10:00am Welcome and Introduction  
As everyone arrives, they can share any work they did on their own.
- 10:10am Games Through Time  
Campers will learn how games can reflect what is going in different cultures or in the world at a particular time.
- 10:20am Parlor Games  
Campers will learn and play some games that were popular during the Industrial Revolution when wealthy families came to have more leisure time.
- 10:40am History of Solitaire  
Campers will learn and play some early games of Patience (or Solitaire) .  
**Kit Materials: Deck of cards**
- 11:00am Games Based on World Events  
Through images and slides, campers will hear the story of how and why Candyland came to be.
- 1:30pm **Victorian Theatricals:** Come learn how children and families entertained themselves before the invention of movies and television. Then become an actor in a story yourself (optional, you can just watch too.)
