

Distance Camp: Dig the Past

THURSDAY

9:00 **Welcome and Share**

9:10 **Introduction to Ceramics**

Meet SBM Archaeologist, Alix Martin, and explore how cups, plates, bowls and other dishes changed over time.

9:15 **Seriation** (putting things in order)

Campers will use what they learned about ceramics to put a series of objects in chronological order.

9:25 **Classification** (putting like things together)

Campers will understand how archaeologists classify objects by doing a classification activity with buttons.

Kit materials: A bag of buttons

9:35 **Ceramic Plate Introduction**

Campers will learn how to decorate a ceramic plate as an activity.

1:30 **Live on Zoom: Myth Busters: Fact vs. Fiction**
