

Distance Camp: Dig the Past

TUESDAY

9:00 **Welcome and Share**

The group will exchange morning greetings and campers can share any activities that they did the night before.

9:10 **Tools of an Archaeologist**

The group will play a game to discover some of the tools that archaeologists use for their work. Then they will look through their archaeology tools and talk about what they are for.

Kit Materials - Clear container with notebook, pencil, brush, and shovel

9:15 **Stratigraphy Introduction**

Campers will be introduced to the concept of stratigraphy and what layers in the soil mean.

9:30 **Stratigraphy Pudding**

Campers will make a layered pudding cup with each food representing an archaeology concept.

Kit materials: Clear plastic cup, plastic spoon, chocolate, vanilla and butterscotch pudding, sprinkles and a popsicle stick.

1:30 **Live on Zoom: Archaeology Matching Game**

Test your knowledge of history and Strawberry Banke as you try to match a series of objects to the houses in which they belong.
