

Paper Hats

There are so many ways to make paper hats and the instructions are easily found on the internet. Below you will find the directions to make a simple paper hat from newspaper and masking tape. Once decorated with feathers, flowers and plants this hat will definitely look similar to the crazy hats Edwardian ladies wore.

Materials:

- 2-3 pages of newspaper
- Masking Tape
- Glue or transparent tape
- A variety materials such as feathers, real flowers, paper or plastic flowers, leaves, models of small animals, lace)

Directions:

Place 2-3 sheets of newspaper over your head.

Tape the newspaper firmly around your head with the masking tape, holding the newspaper in place as you go. An extra set of hands will help.

Roll the extra newspaper into a brim starting over the forehead.

Use tape or glue to decorate your hat with as much flair as you'd like!
